

SUBJECT: Adaptation to REACH Regulation 1907/2006 - Substances of High Concern (SVHC - Substances of Very High Concern)

In accordance with art. 33 of EC Regulation no. 1907/2006 (REACH Regulation), the undersigned Company declares that none of the articles contain, at present, any of the SVHC substances included in the ECHA Candidate List (see below mentioned link) in a concentration > 0.1% by weight / weight:

<http://echa.europa.eu/web/guest/candidate-list-table>

Furthermore, we declare that all the items do not contain any of the substances subject to authorization for use or release on the market, included in Annex XIV of the REACH regulation – available at the following link:

<https://echa.europa.eu/it/authorisation-list>

Moreover we declare that all the items do not contain any of the substances subject to authorization for use or release on the market, included in Annex XVII of the REACH regulation and available at the following link:

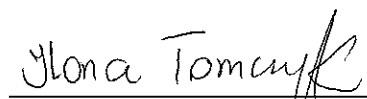

<https://echa.europa.eu/it/substances-restricted-under-reach>

In compliance with Article 33 of REACH Regulation, we hereby undertake to inform immediately if in the future we find or use any SVHC substances in the articles in a concentration >0.1% by weight / weight.
