

Personal Kontakter Hvid 20 Ark

Product Images

The image shows a contact card template with two columns of contact information fields. Each column is headed with the word "Addresses" in bold. The fields are arranged in a repeating pattern of six rows per column. Each row contains the following fields: Name, Address, E-mail, Phone, and Fax. The "Phone" and "Fax" fields are positioned side-by-side. There are two small circles between the two columns, one between each row, which serve as punch holes for a binder. The central spine of the card is labeled "floxax" vertically. At the top of each column, there is a small rectangular box, likely for a photo or logo.
